PECB Certified ISO 14001:2015 Transition

Prepare for the transition from an ISO 14001:2004 Environmental Management System (EMS) to ISO 14001:2015

Why should you attend?

ISO 14001: 2015 Transition course enables you to gain a thorough understanding of the differences between ISO 14001:2004 and ISO 14001:2015. During this training course, you will be able to acquire the necessary knowledge and expertise to support an organization in planning and implementing the process of transitioning from an ISO 14001:2004 EMS to ISO 14001:2015 in a timely manner.

After becoming acquainted with the new concepts and requirements of ISO 14001:2015, you can sit for the exam and apply for a "PECB Certified ISO 14001:2015 Transition" credential. By holding a PECB Transition Certificate, you will be able to demonstrate that you have the practical knowledge and professional capabilities to successfully apply the ISO 14001:2015 changes to an existing EMS.
